Hi Steve,

Our records indicate that the SE 1/4 of section 13 in T. 13 N., R. 11 W., is BLM land. The records indicate that it is acquired land. If there is any legislation out there that gives BIA administration of the property, I'm not aware of it. I will continue to research and let you know if I find anything.

Good Morning Bill and Anthony,

Is the BLM the agency with jurisdiction over the 13 North 11 West SE ¼ of Section 13?

According to the McKinley County Assessor's office the BLM is the owner of the property. There is some concern by the attorney that BIA may have jurisdiction over the property.

Can you confirm the BLM is the agency that has jurisdiction over this property? I appreciate your patience and look forward to your response.

Please contact me with any questions at 415.972.3113.

Thanks!
